You will first see the home page, with some buttons available for you to press.

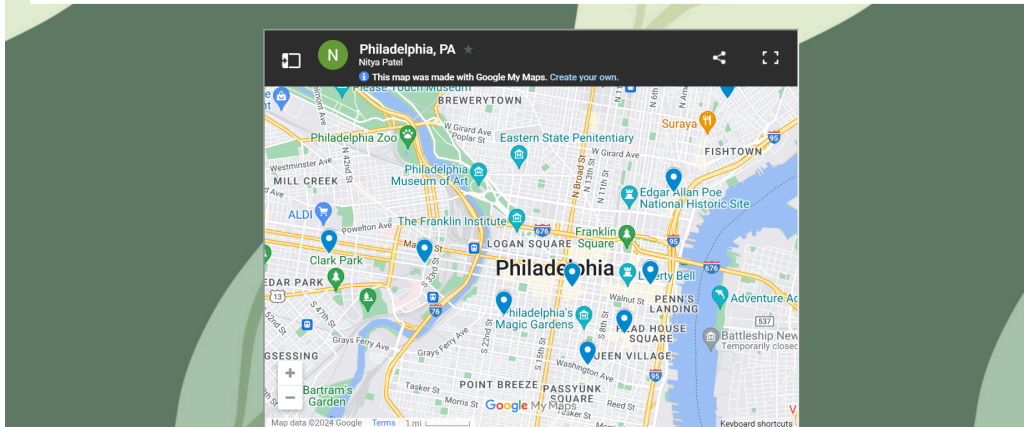

Press "What is it?" to look for our mission, causes, and our general purpose.

Go back home

and you can look through our city dropdown bar to find a list of cities where you can find donation centers in that city on the map, and their addresses.

## Clothing Locators

You can go back again and click on the “Material Quiz” button to take our simple 5 question quiz, which asks questions about your particular piece of clothing. You will get a score in a popup when you hit the submit button.

You can then press “Check your Barcodes!”, where you can input your barcode number to find the materials inside, however, this feature still needs to be implemented and improved upon, and is still in development.
